As a seasonal employee of YMCA Wanakita, you are required to work and live on site. Accordingly, scheduled time off from work will present opportunities for staff to personally engage in many camp activities which may involve exploring YMCA Wanakita as well as local surroundings away from camp.

As a condition of your summer employment, the YMCA requires parental consent from those employees who are under the age of 18 years who wish to leave the camp premises. Therefore, if you are under the age of 18 years and you do not return the parental consent form, you will not be allowed to leave the premises of YMCA Wanakita other than for purposes of employment.

Please note that this requirement has been introduced as a best practice in the interest of the safety and well-being of all YMCA employees.
