

Canada Connects

Canada Connects creates meaningful connections between newcomers, long-time Canadians, and established immigrants. Canada Connects helps newcomers gain a sense of belonging and become fully engaged in the local community by fostering intercultural awareness and acceptance.

Participate in Canada Connects Program. See a difference.

Who Can Participate?

- Newcomers who are interested in learning about the Canadian way of life
- Newcomers who want to build new friendships & enhance their social and local networks
- Permanent Residents
- Convention Refugees
- Newcomer individuals age 18 and up
- Newcomer families

Canada Connects Program Participant Commitment:

- Complete participant application form
- Attend information sessions
- Ideally, meet with a program volunteer for two hours each week over three months in person, online, or by phone.

Benefits to Canada Connects Program Participants:

- Gain a better understanding of Canadian customs, culture, social, political & economic life
- Improve your language skills
- Enhance your network by making local connections
- Cultivate a sense of belonging
