Location: Downtown Hamilton Family YMCA, 79 James Street South, Hamilton, Ontario L8P 2Z1

Position Type: Full time with benefits and complimentary YMCA membership

Starting Salary: \$52,318 annually

Position Description:

We believe that it is through the power of our amazing people that the #YSavesLives. By joining the Health, Fitness, Aquatics & Residence team, you will contribute to making our Y the best place to work.

Reporting to the Vice-President, Health, Fitness, Aquatics & Residence, the Aquatics Supervisor is responsible for ensuring member satisfaction within the Aquatics Program through the development, evaluation, and promotion of aquatic offerings. This role also supports workforce development by coordinating all advanced aquatics courses across the Association. Additional responsibilities include instruction for swimming lessons, lifeguarding (when needed) and serving in a Team Leader capacity.

This is an excellent opportunity for a dedicated aquatics leader with a passion for mentorship and program development to make a lasting impact. With strong relationship-building and communication skills, the Aquatics Supervisor will help foster a supportive team environment that will contribute to making the YMCA of Hamilton | Burlington | Brantford an outstanding place to work.

What You'll Do:

- **Program Development & Delivery:** Responsible for designing, scheduling, and delivering high-quality aquatic programs and member engagement activities. This includes direct leadership in the delivery of programs, modeling and mentoring excellence in service. The role also involves teaching specialized classes such as Aquafit and Hydrotherapy when needed, as well as managing pool rentals to support revenue generation.
- **Staff Recruitment, Training & Mentorship:** Responsible for recruitment, training, and ongoing mentorship of aquatics staff and volunteers to ensure exceptional service delivery. Oversee program leaders to maintain a safe and effective work environment, uphold safety protocols, and ensure accurate record-keeping in compliance with public health regulations.
- **Advanced Aquatics & Workforce Development:** Coordinate all Advanced Aquatics Courses across the Association. Working closely with the Association Aquatics Program Group and external partners like the Lifesaving Society, the Supervisor will help develop annual plans and schedules that support a robust pipeline of qualified lifeguards. This includes promoting the YMCA as an Employer of Choice and facilitating smooth transitions into YMCA employment while driving course-related revenue.
- **Compliance, Safety & Facility Maintenance:** Ensure full compliance with health and safety regulations, including water testing, chemical usage, equipment maintenance, and documentation per Public Health Regulation 565. Collaboration with the Facility Manager is essential to uphold standards for both the pool environment and supporting infrastructure above and below deck.

What You'll Bring:

- A minimum of two (2) years of supervisory experience in an aquatic or recreation setting, with demonstrated ability to lead, coach, and develop staff.
- Valid Standard First Aid and CPR-C are required to ensure readiness in emergency situations and compliance with safety standards.
- National Lifeguard (NL) certification and YMCA and/or Lifesaving Society Instructor certifications are required.
- Strong leadership skills with emphasis on coaching, teamwork, development and influencing others
- Excellent interpersonal and communication skills with the ability to represent the Association professionally in interactions with internal stakeholders and/or external communities.
- This role requires physical stamina and attentiveness, with extended periods of standing, sitting, or movement. Must be capable of assisting with emergency responses, including supporting or lifting participants as needed, and safely handling pool chemicals and maintenance tasks.

A Major Asset if:

- You have worked in non-profit, charity or public sector organizations.
- National Lifeguard Examiner (NL Examiner) certification is an asset, indicating a higher level of leadership and instructional ability in lifeguard training.
- Aquafit Instructor Certification is considered an asset, enabling the Supervisor to support and deliver a wider range of fitness programming.
- YMCA Aquatic Trainer Certification is preferred, demonstrating a high level of expertise in training and developing aquatic staff.

All offers of employment will be subject to the provision that the successful incumbent provides the YMCA of Hamilton|Burlington|Brantford with a current and satisfactory Police Records Check. Positions responsible for the direct supervision of children and/or vulnerable persons will be required, in addition to a Police Records Check, to provide a Vulnerable Sector Screening Report at the time of hire.
