YMCA Staff Team

Our counsellors are university, college and high school students who are trained to ensure your child's experience is one that will be cherished and remembered for many years. In addition to refining their leadership and program skills, these individuals also concentrate on developing and preparing the summer day camp programs. Many counsellors and support staff have been with us for several years. These individuals make a wonderful camping experience possible by providing a safe and welcoming environment in which your child will learn, play and have fun. All counsellors are First Aid and CPR certified and have been trained on YMCA Healthy Child Development. We welcome staff and volunteers of all communities including, but not limited to, women, visible minorities, Aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity.

All children deserve the opportunity to make new friends, try new things and enjoy the exciting opportunities that are part of a summer experience.

As a camper attending one of our Day Camp programs, your child can receive 1:1 support from trained YMCA Helping Hands staff. This support enables your child to be included in all aspects of regular camp programming. The YMCA Helping Hands staff are trained to attend to the unique needs of children with physical or developmental disabilities including personal care and safety – while facilitating friendships, skill development, independence and fun!

How to Register

The interest list can be found at ymcahbb.campbrainregistration.com and opens March 20th at 8:00am.

Dear YMCA Families...

We're busy getting ready for another great summer in YMCA Day Camps and we look forward to welcoming our camp families back again.

We have some important updates to share with families ahead of our registration opening.

2023 Programs for Ages 4 - 5

In order to serve more families with children ages 4 – 5 years, we have replaced our traditional YMCA Day Camp program (formerly Stepping Stones) with licensed Child Care for this age group.

This is good news for families. As part of the Canada-Wide Early Learning & Child Care (CWELCC) System, the program will be more affordable for families and increases accessibility for those who may require additional child care subsidies or services. In addition, we will be able to offer this program at more locations throughout Hamilton, Burlington and Brantford.

Programs will operate as six one-week sessions from July 4th until August 11th and will operate between the hours of 8:00am - 5:00pm.

In order to make it even more convenient for families whose older children may be attending Camp Chippewa, bus stops will be placed at select Child Care locations.

2023 Registration Opening Day for ages 4 - 5 years

- Monday, March 6th at 8:00am - Advanced registration opens for current YMCA child care families and YMCA employees
- Friday, March 17th at 8:00am – Summer Child Care Registration opens for all other 4-5 year olds

Registration for Summer Programs for 4-5 years will take place in your online MY Y ACCOUNT.

2023 Registration Opening Day for ages 6+

Registration for all other YMCA Day Camp programs for children ages 6+ will open on Monday, March 20th at 8:00am.

Complete information about 2023 YMCA Day Camps and summer programs, including dates and rates, will be posted at [YMCAHBB.CA](https://ymcahbb.ca) on Tuesday, February 14th.

We can't wait to welcome you back to camp!

Sincerely,

Shawna MacLellan

Hot Weather Policy

YMCA staff will modify camp activities to accommodate for hot weather in order to ensure the health and safety of all participants. This will include frequent water breaks, water activities, less active games and the use of shaded and cooler areas of the camps. These precautions will allow all campers to enjoy a fun and safe camp experience, even on the hottest of days.

What Your Child Needs To Bring

To be prepared for all activities, campers will need:

- **Running shoes***
- **Sunscreen****
- **Water bottle****
- Swimsuit and towel
- Nutritious nut-safe lunch and snacks***
- Light jacket
- Hat
- Weather appropriate extra clothing
- Bug Spray (optional)

**To ensure your camper can participate fully in camp programming, please ensure they are wearing running shoes or sports-style sandals.*

*** Please ensure each camper has their own sunscreen and water bottle.*

**** Campers are active and busy all day. Please ensure they bring a healthy lunch, snack and drinks (water bottle is best) to nourish them throughout the day.*

Medication at Camp/Extended Care

Day Camp staff can administer drugs/medication to a child when the parent/guardian has completed the Administration of Medication Form. All medication must be in the original container labeled with the child's name and prescription number (when applicable). Medication will be collected on the first day and returned on the last day of the camp week. Please send only enough medication for the week. If your child requires an inhaler, please indicate whether your child's counsellor or your child will carry and administer the inhaler.

Allergies and epi-pens

If you identify your child as requiring an epi-pen for life-threatening allergies, the epi-pen will need to accompany your child to camp each day. For their safety, they will not be admitted to camp without their epi-pen. The Anaphylaxis Plan and Administration of Medication Forms must be returned with the registration to complete enrollment. The anaphylaxis and medication administration form can be found on our website at ymcahbdaycamps.ca.

Behaviour Guidance Procedures

It's our goal to provide a healthy, safe and secure environment. The YMCA teaches core values through activities based on belonging, caring, honesty, respect and responsibility. Children who attend programs are expected to follow the behaviour guidelines and interact appropriately within the group. Admission into and discharge from day camp will be at the discretion of the YMCA.

Behaviour Guidelines

The following guidelines are put in place to ensure all campers enjoy their camp experience. Failure to follow these guidelines may result in suspension or removal from Day Camps.

- People are responsible for their actions
- We respect each other and the environment
- Honesty will be the basis for all relationships and interactions
- We will care for ourselves and those around us
